

## Join us for The Shabbat Experience!

Saturday, September 16 • 9:15 AM • At AJ

A program for the whole family

Jewish tradition provides us with profound and meaningful mileposts as we journey through time. This year's theme of the Jewish calendar will allow us to explore more deeply the holy days and festivals that mark our year. The Shabbat Experience is multi-generational: we delve into topics of Jewish life in age-appropriate ways while we experience the joy of Shabbat together in community.
